Before you start, familiarize yourself with the Mega-Arbel pavers. Begin by placing 3 pavers together to form a cloverleaf.

To make the installation easier, the front of the paver should point to the back of the other paver.

Step 1: Begin by laying 3 pavers at the center of the surface to be covered.

Step 2: Add more sets of cloverleafs to fill in the surface to be covered.

Step 3: Complete the balance of the surface to be covered with single pavers.
