STONE FINISH
PORCELAIN PAVERS
EMULATES A VARIETY OF NATURAL STONES TO CREATE DISTINCTIVE OUTDOOR LIVING DESIGNS

Features & Benefits
• Color preservation – porcelain pavers do not fade
• Resistant to thermal shock and frost between -58°F and +140°F
• Porcelain does not spread flame or give off harmful toxins
• Does not allow for staining
• Porcelain resists corrosion from salt, chlorine and saline water
• Porcelain is resistant to acids and chemicals with no need for sealers or long-term maintenance

Available Colors
• BLUESTONE
• PLATINUM
• TAOS
• YUKON
