

River Rock / River Rock Grana

INSTALLATION PATTERNS

River Rock / River Rock Grana

Pallet Layer Pattern
 River Rock 1 (8 Pavers); River Rock 2 (4 Pavers)
 River Rock 3 (4 Pavers)

- Mechanical or manual installation
- Install first row with a continuous orientation
- Install a second row by changing the orientation of the layer 90°
- This is a very efficient for mechanical installation
- You can also switch a few pavers just after installation (before joint sand sweeping) to mitigate long lines
