LIFETIME TRANSFERABLE LIMITED WARRANTY

TRANSFERRABLE WARRANTY

TIMELY INVESTIGATIONS

REPLACEMENT OF DEFECTIVE PRODUCT AT NO CHARGE

Oldcastle APG ("Belgard") is proud to inform you that all of our interlocking concrete paver and retaining walls ("Products") meet and/or exceed the requirements of ASTM C-936 and ASTM C-1372. Belgard guarantees its Products against these standards for the lifetime of the Product defined by CMHA. This guarantee does not apply to splitting, chipping or other breakage that could be caused by impact, abrasion or overloading. This warranty is transferable. The original proof of purchase is required.

This warranty is only valid if the material is installed under the guidelines of the CMHA or the Belgard Installation Guideline Manual. Improper installation voids this warranty. This warranty is for residential applications only and does not apply to commercial applications. It is recommended that the job is installed by a Belgard Contractor Program participant who guarantees their workmanship for a minimum of 3 years from the date of install. For warranty service, contact Belgard at 1-877-BELGARD. A service representative will investigate your claim within 10 business days. If the Belgard product fails to meet the specifications, Belgard will replace the defective product at no charge. Color matching cannot be guaranteed. Belgard will not be responsible for any replacement labor, consequential damages or incidental damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow for the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The warranties in this limited warranty are the only warranties applicable to the veneer products. There are no other warranties, representations, or conditions of any kind, express or implied, statutory or otherwise, with respect to the interlocking concrete paver or retaining wall products supplied by manufacturer, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. All such warranties are hereby specifically disclaimed and manufacturer shall have no liability therefor, notwithstanding (1) manufacturer's actual knowledge of any intended use of the interlocking concrete paver or retaining wall products or (2) any advice or representations that may have been rendered by manufacturer concerning the design, manufacture, fabrication, sale, use, installation or provision of the interlocking concrete paver or retaining wall products. No statement, product, or description by manufacturer or its employees or other representatives, in addition to or beyond this limited warranty shall constitute a warranty. Buyer agrees that its sole and exclusive remedies for breach of this limited warranty, and the sole and exclusive obligations of manufacturer with respect to any claims for breach of this limited warranty, shall be those remedies expressly set forth herein.

ENVIRONMENTAL COLLECTION

AQUA DUBLIN®

3-PIECE PERMEABLE | 80MM

Reduce stormwater runoff with a permeable system that offers a smooth surface and the classic look of cut stone.

TOSCANA

VICTORIAN

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://belgard.com/Warranty)

FEATURES & BENEFITS

- Multipiece system with a smooth surface and cut-stone aesthetic
- Can eliminate stormwater runoff and improve water quality
- Meets the requirements of ASTM C936
- Suitable for pedestrian and vehicular applications
- Can be utilized to construct an ADA-compliant pavement
- Micro-chamfer to minimize vibration and enhance wheelchair comfort
- Optimized joint openings for infiltration and maintenance
- Joint Width: 10 mm
- Initial Surface Infiltration Rate: >500 inches per hour (varies based on joint infill gradation)
- Surface Open Area: 10%

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Smooth, concrete-like finish
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation,
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials
- Structured top textures create non-slip surfaces
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F)

** It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://belgard.com/Warranty)

FEATURES & BENEFITS

- Rustic look and texture of reclaimed wood
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation,
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials.
- Structured top textures create non-slip surfaces.
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to +60° C (-60°F to +140°F).

** It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://belgard.com/Warranty)

FEATURES & BENEFITS

- Rugges split-stone appearance
- Can be installed as a gravity wall or geogrid-reinforced wall.
- Weighing only 54 lbs., this 1 square foot block maximizes installation and shipping efficiencies
- Front lug design produces a 9/16" per unit setback for a 4° system batter
- Cores align for easy filling
- Top course is placed upside down in order to increase capping efficiency
- Ideally situated for retaining walls up to 12 feet tall
- Can be used to build gravity walls up to 3' 4" high*, including the buried course
- Minimum outside radius, measured on the top course to the front of the units: 4 feet
- Minimum inside radius, measured on the base course to the front of the units: 6 feet

**Gravity wall heights are based on project specific conditions and may be lower than this value.*

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Contemporary smooth face in a multipiece look
- Build curved or straight walls
- Offered in 3 sizes to allow for design versatility and customization
- Minimum outside radius of 6'
- Freestanding walls up to 28"
- Engineered 90° corners
- Gravity walls up to 3 feet* using a 1/2 inch setback per unit (4 degree system batter)
- Reinforced walls up to 8 feet
- Versatile system can build a variety of outdoor living features including seat walls, kitchens, planters, columns, and fire and water features

*Gravity wall heights are based on project specific conditions and may be lower than this value.

NATURAL COLLECTION

LANDINGS™

STEP

The look of quarried limestone on one face adds grand style to landscape level changes, while the smooth face of the remaining sides allows for greater design flexibility.

FOUNDRY

GRAPHITE

TOSCANA

VICTORIAN

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Double-sided texture and two unique faces on the rise allow steps to be rotated for optimal aesthetics
- Smooth sides allow steps to be placed side by side for longer treads
- Granite-like texture on tread surface
- Even bottom and consistent size offer installation ease
- Palletized for easy removal by skid-steer loader
- Dry-cast production provides consistent color throughout unit
- Riser faces are uniquely designed to nest together, creating an optional landing with a narrow joint

MELVILLE™

FIRE PIT

Special wedge-shaped blocks of our smooth-faced Melville Wall create this circular fire pit to perfectly complement our Melville Series of walls and outdoor features.

ANTHRACITE

SCANDINA GRAY

HICKORY

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)
