LIFETIME TRANSFERABLE LIMITED WARRANTY

TRANSFERRABLE WARRANTY

TIMELY INVESTIGATIONS

REPLACEMENT OF DEFECTIVE PRODUCT AT NO CHARGE

Oldcastle APG ("Belgard") is proud to inform you that all of our interlocking concrete paver and retaining walls ("Products") meet and/or exceed the requirements of ASTM C-936 and ASTM C-1372. Belgard guarantees its Products against these standards for the lifetime of the Product defined by CMHA. This guarantee does not apply to splitting, chipping or other breakage that could be caused by impact, abrasion or overloading. This warranty is transferable. The original proof of purchase is required.

This warranty is only valid if the material is installed under the guidelines of the CMHA or the Belgard Installation Guideline Manual. Improper installation voids this warranty. This warranty is for residential applications only and does not apply to commercial applications. It is recommended that the job is installed by a Belgard Contractor Program participant who guarantees their workmanship for a minimum of 3 years from the date of install. For warranty service, contact Belgard at 1-877-BELGARD. A service representative will investigate your claim within 10 business days. If the Belgard product fails to meet the specifications, Belgard will replace the defective product at no charge. Color matching cannot be guaranteed. Belgard will not be responsible for any replacement labor, consequential damages or incidental damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow for the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The warranties in this limited warranty are the only warranties applicable to the veneer products. There are no other warranties, representations, or conditions of any kind, express or implied, statutory or otherwise, with respect to the interlocking concrete paver or retaining wall products supplied by manufacturer, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. All such warranties are hereby specifically disclaimed and manufacturer shall have no liability therefor, notwithstanding (1) manufacturer's actual knowledge of any intended use of the interlocking concrete paver or retaining wall products or (2) any advice or representations that may have been rendered by manufacturer concerning the design, manufacture, fabrication, sale, use, installation or provision of the interlocking concrete paver or retaining wall products. No statement, product, or description by manufacturer or its employees or other representatives, in addition to or beyond this limited warranty shall constitute a warranty. Buyer agrees that its sole and exclusive remedies for breach of this limited warranty, and the sole and exclusive obligations of manufacturer with respect to any claims for breach of this limited warranty, shall be those remedies expressly set forth herein.

ENVIRONMENTAL COLLECTION

AQUALINE™

PERMEABLE PAVER | 80MM

An environmentally friendly choice with a smooth surface and crisp clean lines for stunning contemporary designs. Versatile pattern range provides ultimate design flexibility.

BURNT AMBER

CHARCOAL

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Multiple shapes for design flexibility
- Interlocking spacer bars for increased structural performance
- Smooth surface with a microchamfer to minimize vibration and enhance wheelchair comfort
- Can be utilized to construct an ADA-compliant pavement
- True installed dimensions for design optimization
- Optimal joint openings for infiltration and maintenance
- Can eliminate stormwater runoff and improve water quality
- Meets the requirements of ASTM C936
- Chamfer Width: 3 mm
- Spacer Bar Width: 10 mm
- Surface Infiltration Rate: > 500 inches per hour (varies based on joint infill gradation)
- Surface Open Area: 12%
- Can be installed mechanically with herringbone pallet layout

HERITAGE COLLECTION

BELGIAN COBBLE®

PAVER | 60MM

Emulating the natural stones found in a mountain creek bed, this multi-piece system has seven unique shapes for creating random patterns that embody picturesque settings.

MIDNIGHT

MOONLIGHT

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Seven unique shapes create a random pattern
- Can be installed as a standard or permeable pavement system
- Larger joints between pavers allow Belgian Cobble to be installed as a permeable paver option with sitespecific engineering and proper base, bedding and joint aggregate material
- The use of Techniseal's polymeric jointing sand is recommended for non-permeable applications
- Can also be used for accents or borders

METROPOLITAN COLLECTION

DIMENSIONS™

PAVER | 60MM

Emulating the look and texture of natural stone, this paver system offers earthy tones and a slightly chiseled, yet refined surface that blends with the natural environment, enriched with factory-applied sealant for enhanced durability.

BLACK DIAMOND 
3x9 is only available in Black Diamond

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Clean lines and a modern architectural appearance
- Sized in true 3" increments for design and installation efficiencies
- Ideal for patios, walkways, accents, borders and residential vehicular applications
- Can be utilized to construct an ADA-compliant pavement
- 3 mm micro-chamfer width to minimize vibration and enhance wheelchair comfort
- Reduced cuts, installation time and waste
- Increased options for creative patterns
- Size compatible with all Belgard modular pavers - look for the Modular Sizing icon

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Look and feel of natural stone
- Ideal for small patios, walkways, accents, borders and residential vehicular applications
- Maximized pallet layout for jobsite efficiencies
- Reduced cuts, installation time and waste
- Increased options for creative patterns
- Simplified quoting and design of projects
- Uniform dimensions compatible with other Origins paver sizes
- Sizing compatible with other Belgard modular paver lines, like Dimensions™ and Papyrus™

DURAFUSION™ TECHNOLOGY

Refined texture with enhanced wear-resistance

PORCELAIN COLLECTION

FOUNDATION™

CONCRETE FINISH | 20MM

These pavers exude timeless sophistication and a uniform look achieved by a smooth, refined surface texture, polished concrete appearance, and neutral color tones.

v2 AMBER BEIGE

v2 SCANDINA GRAY

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Elegant look of polished concrete
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation,
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials
- Structured top textures create non-slip surfaces
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F)

** It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*

We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Distinctive chiseled stone texture manufactured to consistent height tolerances
- Build curved or straight walls
- Offered in 3 sizes to allow for design versatility and customization
- Minimum outside radius of 6'
- Freestanding walls up to 28"
- Engineered 90° corners
- Gravity walls up to 3 feet* using a ½ inch setback per unit (4 degree system batter)
- Reinforced walls up to 8 feet
- Versatile system can create multiple outdoor features including seat walls, kitchens, planters, columns, and fire or water features

*Gravity wall heights are based on project specific conditions and may be lower than this value.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://belgard.com/Warranty)

FEATURES & BENEFITS

- Elegant look of chiseled stone
- Freestanding & gravity walls* can be built up to 3 feet high, including buried course
- Taller walls can be built using geosynthetic reinforcement when designed by a qualified engineer
- Rear-lip on retaining wall block makes installation fast and accurate
- Freestanding Walls: 4-foot minimum radius using all 3 units
- Retaining Walls: 1"/9.5° Setback/System batter
- Minimum outside radius, measured on the top course to the front of the units: 4 feet
- Minimum inside radius, measured on the base course to the front of the units: 8 feet

*Gravity wall heights are based on project specific conditions and may be lower than this value.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Contemporary smooth face in a lightweight large-format block
- Can be installed as a gravity wall or geogrid-reinforced wall
- Optimized shipping and installation, due to square foot sizing and low 54 lb weight
- Front lug design produces a 9/16" per unit setback for a 4° system batter
- Cores align for easy filling
- Top course is placed upside down in order to increase capping efficiency
- Ideally situated for retaining walls up to 12 feet tall
- Can be used to build gravity walls up to 3' 4" high*, including the buried course
- Minimum outside radius, measured on the top course to the front of the units: 4 feet
- Minimum inside radius, measured on the base course to the front of the units: 6 feet

*Gravity wall heights are based on project specific conditions and may be lower than this value.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Weathered stone appearance
- Plantable wall designs & columns can be easily created
- Create a wide variety of custom outdoor living features including kitchens, built-in seating and fire features
- Build curved or straight walls
- Build freeform walls with minimal cuts
- Can be used to build gravity walls up to 2 feet high*, including the buried course
- Minimum outside radius, measured on the top course to the front of the units: 5 feet
- Minimum inside radius, measured on the base course to the front of the units: 3 feet

*Gravity wall heights are based on project specific conditions and may be lower than this value.

HERITAGE COLLECTION

GRANIKA STEP[®]

STEP UNIT

The natural granite look offers a quarried face on the step tread with smooth sides to create longer treads. The double-sided rise texture allows rotation for optimal aesthetics.

COTSWOLD MIST

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Double-sided texture and two unique faces on the rise allow steps to be rotated for optimal aesthetics
- Smooth sides allow steps to be placed side by side for longer treads
- Granite-like texture on tread surface
- Even bottom and consistent size offer installation ease
- Palletized for easy removal by skid-steer loader
- Dry-cast production provides consistent color throughout unit
- Riser faces are uniquely designed to nest together, creating an optional landing with a narrow joint
