LIFETIME TRANSFERABLE LIMITED WARRANTY

TRANSFERRABLE WARRANTY

TIMELY INVESTIGATIONS

REPLACEMENT OF DEFECTIVE PRODUCT AT NO CHARGE

Oldcastle APG ("Belgard") is proud to inform you that all of our interlocking concrete paver and retaining walls ("Products") meet and/or exceed the requirements of ASTM C-936 and ASTM C-1372. Belgard guarantees its Products against these standards for the lifetime of the Product defined by CMHA. This guarantee does not apply to splitting, chipping or other breakage that could be caused by impact, abrasion or overloading. This warranty is transferable. The original proof of purchase is required.

This warranty is only valid if the material is installed under the guidelines of the CMHA or the Belgard Installation Guideline Manual. Improper installation voids this warranty. This warranty is for residential applications only and does not apply to commercial applications. It is recommended that the job is installed by a Belgard Contractor Program participant who guarantees their workmanship for a minimum of 3 years from the date of install. For warranty service, contact Belgard at 1-877-BELGARD. A service representative will investigate your claim within 10 business days. If the Belgard product fails to meet the specifications, Belgard will replace the defective product at no charge. Color matching cannot be guaranteed. Belgard will not be responsible for any replacement labor, consequential damages or incidental damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow for the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

The warranties in this limited warranty are the only warranties applicable to the veneer products. There are no other warranties, representations, or conditions of any kind, express or implied, statutory or otherwise, with respect to the interlocking concrete paver or retaining wall products supplied by manufacturer, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. All such warranties are hereby specifically disclaimed and manufacturer shall have no liability therefor, notwithstanding (1) manufacturer's actual knowledge of any intended use of the interlocking concrete paver or retaining wall products or (2) any advice or representations that may have been rendered by manufacturer concerning the design, manufacture, fabrication, sale, use, installation or provision of the interlocking concrete paver or retaining wall products. No statement, product, or description by manufacturer or its employees or other representatives, in addition to or beyond this limited warranty shall constitute a warranty. Buyer agrees that its sole and exclusive remedies for breach of this limited warranty, and the sole and exclusive obligations of manufacturer with respect to any claims for breach of this limited warranty, shall be those remedies expressly set forth herein.

NATURAL COLLECTION

AVALON SLATE

3-PIECE PAVER | 60MM

The dimensional texture of natural cut slate creates graceful outdoor spaces that blend seamlessly with the natural landscape.

SIERRA

SONORAN GRAY

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at Belgard.com/Warranty

FEATURES & BENEFITS

- 3-piece system with a natural slate texture
- Ideal for courtyards, walkways, patios, pool decks and residential vehicular applications
- Flexible installation for multiple laying patterns

NATURAL COLLECTION

TRAVERTINO

3-PIECE TILE | 30MM

Created to mimic the natural textures of travertine

ECHO CANYON

SILVERADO

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- 30mm thickness
- Ideal for overlays including driveways, walkways and pools
- Unique variegated color blends
- Upscale look
- Slip-resistant
- Interlocking design
- Multi-piece system
- Multiple laying options

PORCELAIN COLLECTION

FOUNDATION™

CONCRETE FINISH | 20MM

These pavers exude timeless sophistication and a uniform look achieved by a smooth, refined surface texture, polished concrete appearance, and neutral color tones.

 AMBER BEIGE

 SCANDINA GRAY

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Sophisticated look of polished concrete
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation,
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials.
- Structured top textures create non-slip surfaces.
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F).

** It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Realistic appearance of natural quartz
- A variety of modular shapes offer ultimate design flexibility
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials.
- Structured top textures create non-slip surfaces.
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F).

** It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Classic split-stone look
- All system components are standard-split in-line
- Rear lip locators easily establish a uniform wall batter
- A matching cap and corner completes the system
- Build gravity walls up to 3 feet high*, including the buried course.
- Taller walls can be built using geosynthetic reinforcement when designed by a qualified engineer.
- Minimum outside radius, measured on the top course to the front of the units: 3 feet
- Minimum inside radius, measured on the base course to the front of the units: 6 feet
- The rear lip establishes a 1⅝" setback for a 10.6 degree system batter

**Gravity wall heights are based on project specific conditions and may be lower than this value.*

SHELTON WALL™

FREESTANDING | RETAINING

Exuding old world charm with its rustic finish and earth tone blends, this multi-piece wall system offers multidimensional character and installation flexibility.

BELLA

RIO

SIERRA

VICTORIAN

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://www.belgard.com/Warranty)

FEATURES & BENEFITS

- Rustic look of aged stone
- Multi-piece wall system for increased installation flexibility
- Ideal for small freestanding walls, parapet walls, seat benches, pilasters, columns and outdoor living environments
- Build curved or straight, freestanding or retaining walls
- Each unit can be used as an exposed end unit or a 90° corner unit for less cuts
- No patterns required for random look
- Used for gravity walls up to 2.5 feet* at a near vertical batter or 3 feet* using the 9.5 degree batter/1 inch setback per unit option
- Taller walls can be built using geosynthetic reinforcement when designed by a qualified engineer.
- Minimum outside radius of 5 feet
- Minimum inside radius of 3 feet

*Gravity wall heights are based on project specific conditions and may be lower than this value.

We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Natural look of quarried stone
- Double-sided texture and two unique faces on the rise allow steps to be rotated for optimal aesthetics
- Smooth sides allow steps to be placed side by side for longer treads
- Granite-like texture on tread surface
- Even bottom and consistent size offer installation ease
- Palletized for easy removal by skid-steer loader
- Dry-cast production provides consistent color throughout unit
- Riser faces are uniquely designed to nest together, creating an optional landing with a narrow joint
