FREESTANDING WALL

LABOR-**SAVING** DESIGN CREATES CURVED AND STRAIGHT WALLS WITH A **ROUGH-HEWN** LOOK

📌 FEATURES & BENEFITS

- Rough-hewn face texture imparts a natural looking appearance
- Create unique looks with one product; three block sizes, corner unit and multiple cap options
- Build curved freestanding walls with virtually no cutting; base block designed for faster installation
- Column units designed to easily add lighting or other elements and include score marks to modify on jobsite to create different size columns -- 24", 21" or 18"
- Maximum wall height: 3'
- Maximum column height: 6'*
- Maximum straight wall length: 10'
- Minimum radius: 3' 9"

**including buried course but excluding cap*
