QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Beldgard.com/Warranty](https://Belgard.com/Warranty)

FEATURES & BENEFITS

- Realistic look of natural quartz
- A variety of modular shapes offer ultimate design flexibility
- Incredibly high breakage loads, up to 3,000 pounds
- Modular for faster installation
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Unaffected by alkalis, acids, chemical agents, salt and other de-icing materials.
- Structured top textures create non-slip surfaces.
- Freeze thaw resistant—100% frostfree and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F).

** It is important that all pressure washing be done with a maximum of 1600 psi. Care should be taken to prevent damage to the grout (adhesive and grout installations). Some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.*
