Tools and planning considerations for designing and creating a new space where you can connect, reflect and recharge.

1 GET INSPIRED

This product catalog was designed to help you explore your options and inspire your creativity. Get ideas on a wide variety of outdoor living projects and how to recreate the looks you love in your own backyard. Then, work with your contractor to refine your vision.

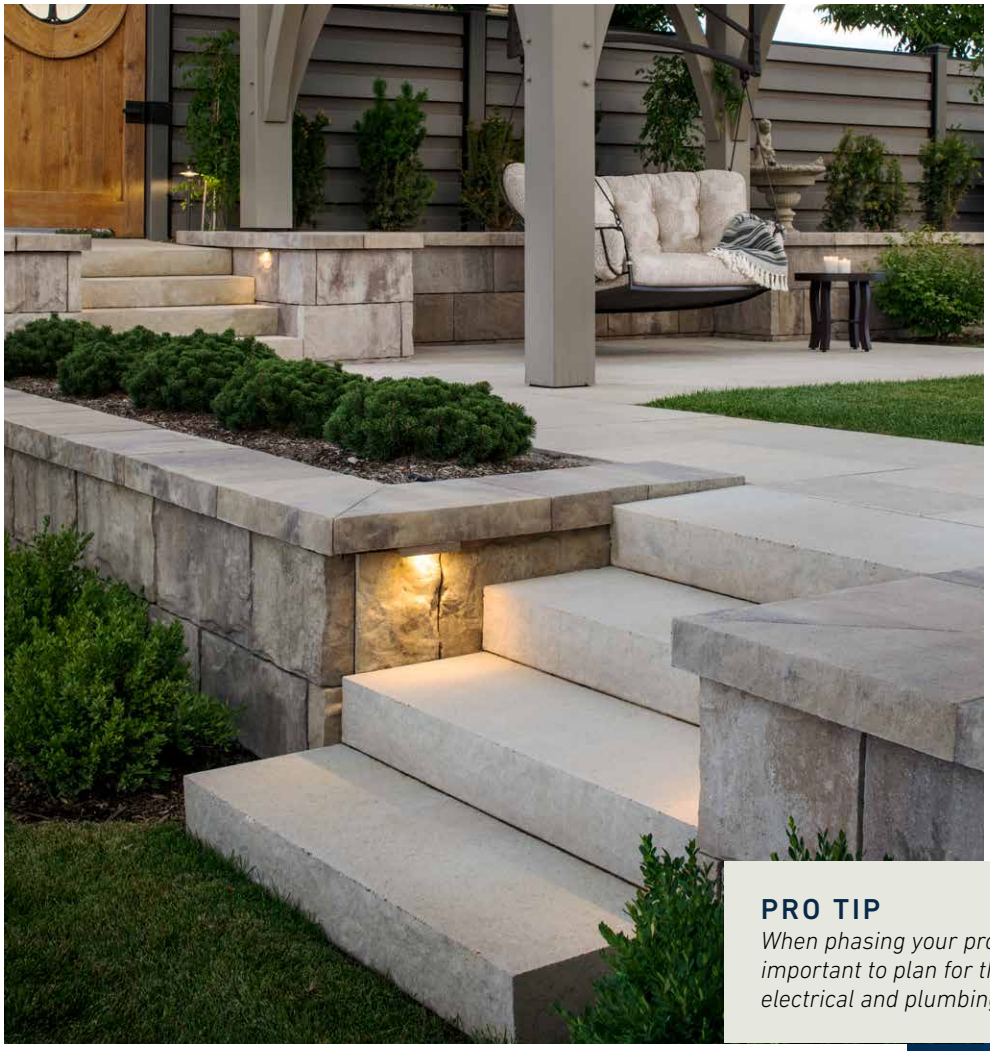

2 SELECT *the* RIGHT PARTNER

Choosing a contractor is an important decision. It's critical to build a relationship and work together to create your ideal outdoor living space. Scan the QR code below to find the ideal partner for your vision.

FIND YOUR CONTRACTOR

3 TO PHASE *or not* TO PHASE

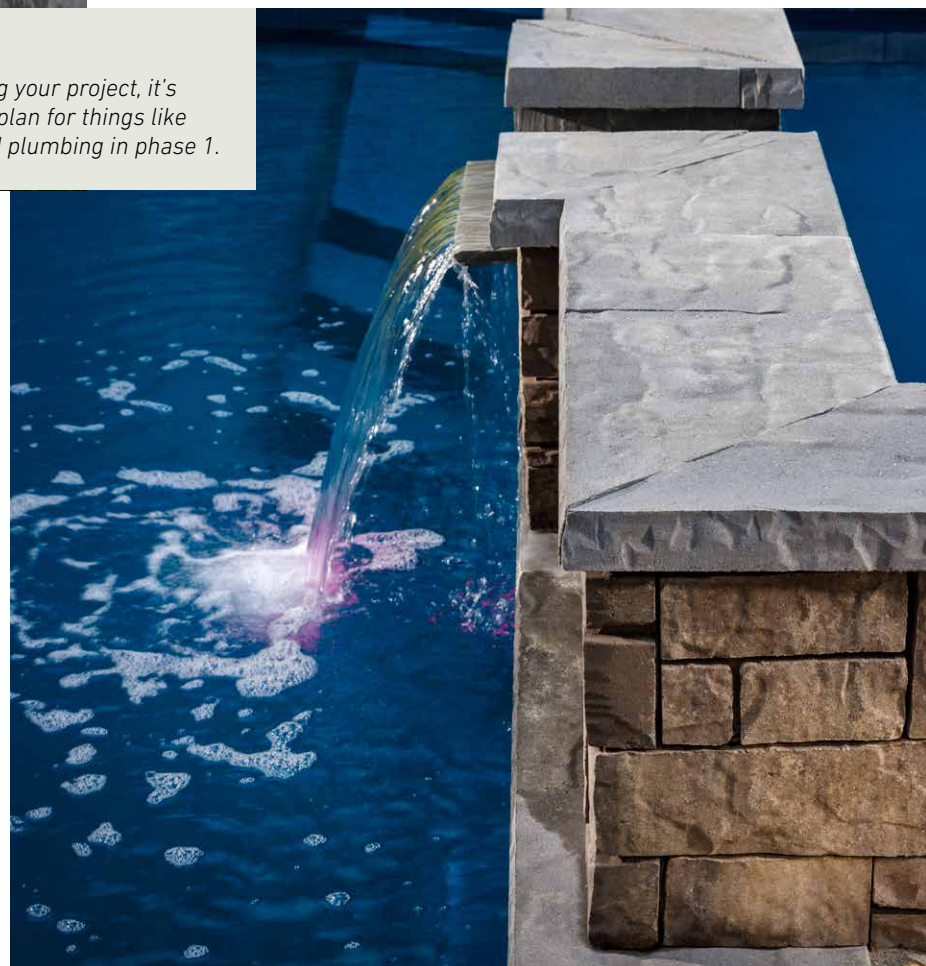

Sometimes, it's not feasible to build your entire dream outdoor space at once. Discuss financing options with your contractor or develop a phased plan that makes the most sense from a cost and lifestyle perspective.

PRO TIP

When phasing your project, it's important to plan for things like electrical and plumbing in phase 1.
