ELEVATE YOUR SPACE, NOT YOUR BUDGET

Offering the strength and durability of Italian-made porcelain, November brings a naturally exquisite look to any outdoor space at an affordable price.

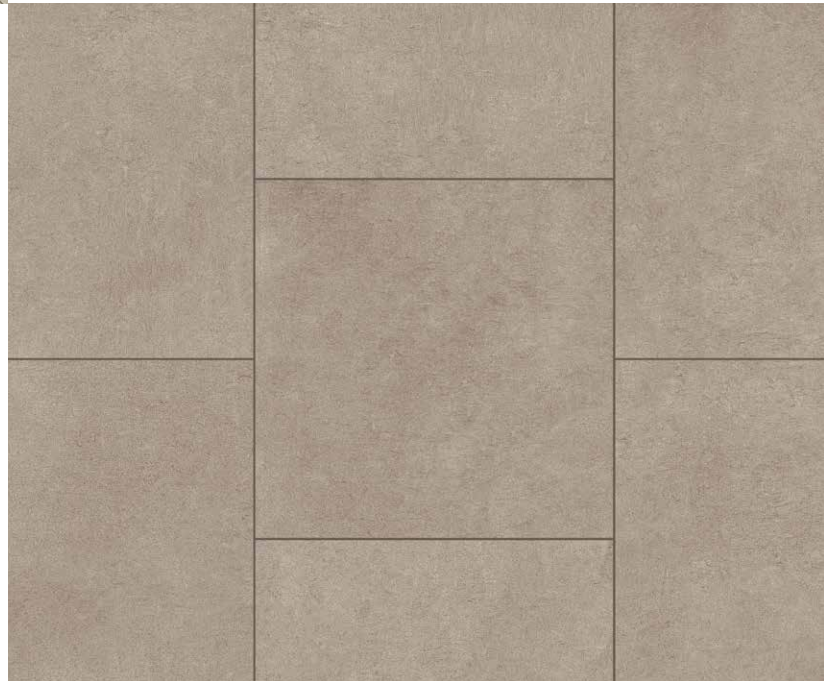

MIRAGE® PORCELAIN PAVERS EXCLUSIVELY IMPORTED FROM ITALY BY BELGARD®

For convenience and flexibility, Mirage® Porcelain Pavers offer numerous installation methods. When installed on the ground, they can be set on sand, gravel, or over concrete with a mortar bed. For rooftops, traditional pedestals or Mirage®'s innovative E_Deck system, a raised flooring system, may be used.

NOVEMBER COLLECTION SMART STYLE, SMART PRICE

With design versatility, November porcelain pavers are a smart, affordable choice for creating trend-forward aesthetics. Made for outdoor living, they are designed to retain their visual appeal through Colorfast Technology and stain-and scratch-resistance. Their non-slip surface is simple to clean.

DESIGNED FOR

VALUE AND VERSATILITY

TECHNICAL CHARACTERISTICS

The simplicity and elegance of November is found in the minimalism of its material and colors. Inspired by nature, this universal product enriches the look of any outdoor space with its organic beauty and aesthetics.
