

## AB<sup>®</sup> Vertical

AB Vertical shares the trusted attributes of the Allan Block collection of products. The raised front lip and notch provides a superior vertical interlock that results in valuable time savings in stair construction while also maximizing land use.

## Features & Benefits:

- Reduce cuts needed in step construction resulting in time savings
- Maximize land use
- Compatible with all products with the Allan Block collection
- Compatible with Belgard Landings™ Step Unit
- Gravity wall maximum height - 24"
- Geogrid or no fines aggregate for heights above 24"

## Colours:

Grey

Charcoal
