BELGIAN COBBLE[®]

PAVER | 60MM

Emulating the look of stones found lining a mountain creek bed, this multi-piece system has seven unique shapes for creating random patterns and picturesque settings.

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at Belgard.com/Warranty

FEATURES & BENEFITS

- Seven unique shapes create a random pattern
- Can also be used for accents or borders
- Can be installed as either a standard or permeable system
- Larger joints allow for permeable pavement installation with site-specific engineering and proper base, bedding and joint aggregate material
- The use of Techniseal's polymeric jointing sand is recommended for non-permeable applications
