## TECHNICAL SPECS

- Large format high-strength concrete panels
- Mechanically fastened with stainless steel hardware
- Ideal for outdoor living projects of all sizes including rooftop applications
- Efficient installation with minimal waste
- Minimal disruption for property owner
- Easily added to existing projects
- Endless design possibilities for outdoor living features including seat walls, fire and water features, planters, and outdoor kitchens

## QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at **Belgard.com/Warranty**

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.
