## TECHNICAL SPECS

- Rounded edges protect feet and hands when getting out of a pool or going up and down steps
- Provides a finished edge that blends seamlessly with patios and pool decks
- Helps pool or spa hold its shape by keeping walls straight and rigid, and protects surrounding area from water damage
- Can be used to provide a finishing touch to steps, planters, walkways, and terraced patios

## QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at [Belgard.com/Warranty](https://Belgard.com/Warranty)

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.
