

TRAVERTINO

3-Piece Pavers | 30mm

This multi-piece paver system offers the upscale look of natural travertine in a 30mm thickness that can be installed with either a standard paver base for smaller projects or used as an overlay to bring new life to existing concrete.

TECHNICAL SPECS

- 30mm thickness is ideal for overlays including driveways, walkways and pools
- True 3" increments for simplified design, quoting and ordering
- Compatible with all modular paver lines—look for Modular Sizing icon
- Modular dimensions reduce cuts, installation time, and waste
- Modular compatibility allows more creative pattern options
- Maximized pallet layout for jobsite efficiencies
- Can be installed on a standard base for walkways and small patios

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at **Belgard.com/Warranty**

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.
