- Plantable wall designs and columns can be easily created
- Create a wide variety of custom outdoor living features including kitchens, built-in seating and fire features
- Build curved or straight walls
- Build freeform walls with minimal cuts
- Can be used to build gravity walls up to 2 feet high*, including the buried course
- Minimum outside radius, measured on the top course to the front of the units: 5 feet
- Minimum inside radius, measured on the base course to the front of the units: 3 feet

*Gravity wall heights are based on project specific conditions and may be lower than this value.

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world class building products that stand the test of time. See our lifetime warranty at **Belgard.com/Warranty**

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.
