

Core Mix

Belgard's Core Mix Technology delivers classic, dependable pavers with natural color throughout, so they look great now and age beautifully over time. Built for everyday durability and timeless style.

CORE MIX
Origins 18

Color All the Way Through

The color runs throughout the entire paver, not just on the surface.

Durable Performance

Built to handle everyday wear and tear with ease.

Natural Style

Offers a classic, natural look that suits any design.

Proven Value

Delivers long-lasting performance with a wide range of design options.

Low Maintenance

Designed to age well with minimal upkeep.

BELGARD® TECHNOLOGY BENEFITS

DuraFusion®

DuraFusion Technology delivers a bold, vibrant finish with a smoother, tighter texture that stands up beautifully over time. Built to endure high-traffic use and tough weather conditions, it's the ideal choice for outdoor spaces that demand lasting strength and refined visual appeal.

DURAFUSION
Papyrus

High-Definition Finishes

Compact surface delivers a crisp finish for smooth and textured pavers.

Vibrant Color

Rich, bold tones that resist fading over time.

Weather Toughness

Engineered to withstand severe weather and provide durability in extreme freeze-thaw conditions.

Refined Texture

Smooth, tightly grained surface that feels polished and premium.

Fade Resistance

Built to resist fading from sun, rain, and wear.

Stain Resistance

Surface absorbs less water, making it easier to clean and maintain.

BELGARD® TECHNOLOGY BENEFITS

ColorTech™

ColorTech Technology adds a protective finish to your pavers that helps block stains, reduce fading, and bring out richer color, so your outdoor space stays beautiful with less effort.

Enhanced Color

Brings out deeper, richer tones in the paver.

Stain Protection

Helps block spills from food, grease, and more.

Fade Resistance

Shields against sun exposure to help preserve color.

Scratch Resistance

Helps protect against scuffs from furniture, foot traffic, and more.

Low Maintenance

Makes pavers easier to clean and maintain over time.

BELGARD® TECHNOLOGY BENEFITS

DuraFusion® + ColorTech™

Pavers with DuraFusion + ColorTech Technologies combine a sleek, modern look with built-in protection against stains, fading, and wear, so your outdoor space stays vibrant, polished, and easy to maintain for years to come.

Vibrant, Lasting Color

Rich color that stays bright and resists fading over time.

Stain Protection

Factory-applied finish helps block spills and messes.

Scratch Resistance

Helps protect against scuffs from furniture and foot traffic.

Low Maintenance

Designed to stay beautiful with less upkeep.

Fade Resistance

Shields against sun exposure and weather-related fading.

Refined Surface Finish

Sleek, smooth texture with a modern aesthetic.
